Dear Emergency Management Partner:

GREAT NEWS! I am pleased to announce that the **Emergency Management Performance Grant (EMPG) Program** is now open to receive applications.

We thank you for your patience while we waited for funding to be approved by FEMA. We have used the time to make a number of changes in the program that were necessary and to simplify the application process and allow online submittal.

Please refer to the new **EMPG Program Guidance** for the State's target priorities, compliance requirements and eligible projects. Also, a **Quick Reference Guide** has been created that provides a checklist of information needed for application. It is recommended that you have the outlined information and items readily available as some will need to be uploaded.

The online application is located on our agency's **Resource Center** or by entering the link below:
https://apps.nh.gov/blogs/hsem/?page_id=225

If you need assistance applying or have any questions on the EMPG Program, please feel free to contact your assigned HSEM Field Representative at NHFS@dos.nh.gov.

Thank you for your interest in New Hampshire's EMPG Program!

Sincerely,

A handwritten signature in blue ink, reading "Perry E. Plummer".

Director
